

Michelle N. Kann, Esq.

Michelle Kann joined Foundation Commercial in February, 2010. After graduating from Saint Louis University School of Law in May of 2009, Michelle spent the following eight months learning the details of the commercial real estate business, focusing on retail leasing, landlord and tenant representation, and investment sales.

Michelle saw the challenging real estate market of 2009 as a chance to immerse herself in the industry and learn as much as possible from the experienced brokers around her. Since her start in the business, Michelle has played an integral role in the marketing of properties, the contact between retailers/potential tenants and landlords, and has actively participated in the entire process, handling property tours to compiling lease, sale, and purchase documents.

Michelle graduated from Florida State University in 2006, and then focused her law school career on real estate law, and environmental and urban planning issues. She is an active member of the Family Resource Junior Advocacy Board and participates in multiple animal-related charities, as well as the Young Professional Board for the YMCA of Greater St. Louis.
